### Annual Winter Hike & Potluck

Early December once again we enjoyed our annual winter social event. Festive decorations, hike in the woods, talk about social media, good food and the best company ever were all part of the fun.

Follow our [website](#) for more details on the event.

**If you missed it this year we hope you can make it in 2017!**

### Christmas Trees Sale

Photo: C. Sheppard

Our Christmas trees sale was very successful this year. We sold almost all pre-cut trees, baskets and wreaths and lots of cut-your-own trees..

**Thank you to all the volunteers who made it possible and to all our customers.**

All proceeds are going toward the Bruce Trail Conservancy's program to secure, protect and maintain a continuous conservation corridor containing the Trail along the Niagara Escarpment.

### Ski Trails

The Hockleycrest Ski Trail Network consists of 14 km of single-track trails. Trails are marked and maintained by one person volunteer. Most are groomed (packed and track-set). In an effort to separate incompatible uses (i.e. skiing and walking) 2 new trails are being opened this year, exclusively for the use of snowshoe enthusiasts.
