### Caledon Hills Bruce Trail Club in Pictures

2017 has been a busy year for our club. There have been lots of events and many hikes were offered throughout the year. Have a look at some of the moments on the trail that our hikers captured. Maybe next time you will notice things you missed before. Check out our albums such as [As Seen On Our Hike](#), [Trail Maintenance](#), [Wildlife](#), [Guided Hikes](#), [Throwback Thursdays](#) and [many more](#).

### Trail Reroutes

December 1, 2017 to April 1, 2018

Map 18 - Caledon Hills - Temporary (Seasonal) reroute

A portion of the main trail is closed to hikers and snowshoers, but remains open for the exclusive use of cross-country skiers.

A 500 metre alternate route has been opened to accommodate hiking and snowshoeing only. Skiing is not allowed on this section.

In addition, a loop trail named Peter's Path has been created exclusively for snowshoeing, passing through pine and spruce plantations, open grasslands and regenerating fields.

Check [BTC website](#) for more details.

### Trail Angels

Caledon Hills is now one of several Bruce Trail clubs offering a Trail Angel service for hikers in their sections!

This program attempts to match up hikers with a local volunteer who can help them to do a car shuttle, or provide a pick-up or drop-off at a trail head.

If you are interested in using or helping out with this service check [our website](#) for more information and contacts.

If you are not a member of the Bruce Trail, we hope you will be soon. To join, please visit The Bruce Trail Conservancy online at [www.bruce-trail.org](http://www.bruce-trail.org).
