

# BRUCE TRAIL DAY

**SUNDAY OCTOBER 1, 2017**

**10:00 AM - 2:30 PM**

## Glen Haffy Conservation Area

19245 Airport Road, Caledon East ON L7K 2M9

Bruce Trail Day is held to promote public awareness of the Bruce Trail Conservancy's mission to secure land for future generations to enjoy, and to promote the benefits of outdoor activity in nature.

### ALL DAY BARBEQUE & INFORMATION TABLE

#### \*\* 1:00 PM Special Nature walk with Don Scallen \*\*

**The Trees of our Forests: Peril and Promise.** Don Scallen is a nature writer, science teacher and president of the Halton/North Peel Naturalist Club. Join Don for a hike through the forest ecosystem of Glen Haffy Conservation Area to identify trees and discuss the introduced pathogens now attacking ash, beech and butternut. Don believes that a worthy response to the loss of these trees is to diversify our forests by planting a wide range of native trees. As a symbol of this response Don will offer an oak or hickory seedling to each participant.

### CHILDREN – HELP US BUILD A BOARDWALK

All hikes are free and are guided by experienced volunteer leaders. The hikes are introductory, at a slow to moderate pace. Meet at the Forest View Picnic Area at the Glen Haffy Conservation Area.

*Reduced entry fee of \$3.50 per person for all participants in Bruce Trail Day activities. (Kids 14 and under are free)*

**LAST GUIDED HIKE LEAVES AT 1:00PM**
