A Special Movie Screening - THE GARDENER

George Cinema, Elora

Sunday, October 21, 2018 - 11:00 am and 2:30 pm

Beth Gillespy, Bruce Trail Conservancy CEO, opens the program with stunning visuals highlighting precious lands preserved and rehabilitated by the Bruce Trail Conservancy and its volunteers.

And then – THE GARDENER - a mesmerizing, award-winning Canadian film from Quebec filmmaker Sebastien Chabot, offers a rare glimpse into a hidden gem - the 20 acres of Les Quatre Vents - a garden overlooking the St Lawrence River at La Malbaie, and the man who created the world-renowned gardens, a self-taught horticulturist, Frank Cabot.

THE GARDENER features members of the Cabot family and friends, including former Governor General Adrienne Clarkson. Filmmaker Chabot says, "...a garden is much more than a postcard. It heals the soul". The film also notes the synergy between the gardens and the next-door walking trails of the Centre Ecologique. The Globe and Mail describes the film as a "cinematically exquisite stroll". Tribute.ca says "...one is left at the end with a sense of the ecstatic lift of beauty sometimes radiating peace and purity, other times entering with a jolt of surprise. Give yourself a treat and see this show more than once".

Admission to our cinema event is by advance donation.

Seating is limited. Your donation for the 11am or 2:30pm film screening will help secure a conservation corridor along the Niagara Escarpment containing the Bruce Trail:
