Trail Fix 100 km Relay

Caledon Hills Section

Fundraising - Now till October 3, 2020, the Day of the Relay

Please consider supporting Sean Roper, founder of 'Storm Racing', as he runs 100 miles of the [TrailFix.ca](#) racecourse and sections of the Caledon Hills Section of the Bruce Trail on October 3, 2020 with funds raised going directly to the Caledon Hills Club to support work maintaining the trails in the Caledon Section.

"When the Trail Fix Relay event was created in 2019, we partnered with the Caledon Hills Club of the Bruce Trail Conservancy, in an effort to support their work maintaining the hundred-plus kilometres of Bruce Trail routes within their region. Our hope was to do more in this our second year, but with the uncertainties surrounding events in the time of COVID-19, most races and race organizers have been forced into survival mode." - Sean Roper, Founder of Storm Racing.

New COVID-Safe Drive-In Movie Fundraising Event A Success!

By Linda Vezina

The Caledon Hills Club teamed up with the Mustang Drive-In Theatre in Guelph, to host a Conservation Themed double header. Over one hundred nature-loving people donned their masks and joined us for a night under the stars to enjoy a cinematic experience from the comfort of their own vehicles, with a gaggle of their hiking buddies parked around them. All while supporting the country's foremost environmental charity, the Bruce Trail Conservancy.

With this first ever Drive-In movie event by the Caledon Hills Club, our purpose was to build awareness of the land preservation work of the Bruce Trail Conservancy and its volunteers, and our vision:

To preserve a ribbon of wilderness for everyone forever.

To our great delight, this event raised over \$4,300 in donations for the Bruce Trail Conservancy to help secure the remaining vulnerable 32% of the conservation corridor along the Niagara Escarpment that contains the Bruce Trail.

Thank you to all who attended and donated!
